Internet Release Date: October 16, 2002

^{1.} Hispanics may be of any race.

^{2.} Not all students receiving each type of aid reported a specific dollar amount. Average aid is calculated only from students who reported a positive dollar amount.

3 Percent of total aid is the proportion of the student's total aid package that consists of a specific aid type.

⁽B) Base less than 100,000. Derived number not shown.
